Lavender 3

The Lavender's base is unlike any other, with sleek contours in dark cherry wood. Eight brilliant glass bowl colours are available to give you ample variety, and the luxurious massage chair comes in various choices. A revision of the trendiest pedicure spa on the market; Lavender 3.

Lavender 3 Spa Pedicure Chairs come with a state-of-the-art Shiatsu Roller Back Massage System. The roller back system works by applying pressure to all the right spots and providing several different functions: compression, kneading, percussion and rolling. All of these functions can be controlled by a hand-held remote, which allows your client to customize their experience.
